1 Plaintiffs/Counter-Defendants Cloanto Corporation (“Cloanto”), Amiga, Inc., Amino  
2 Development Corporation, and ITEC, LLC together with Defendant/Counterclaim Plaintiff  
3 Hyperion Entertainment C.V.B.A. (“Hyperion”), pursuant to LCR 7(d)(1) and LCR 10(g), jointly  
4 move the Court for an order extending the parties’ respective responses to the Court’s Order to  
5 Show Cause (Dkt. #83) by one-week to Friday, February 7, 2020.<sup>1</sup>

6 Business representatives of Hyperion, Cloanto, and C-A Acquisitions, Inc. have been  
7 engaged in several days of intensive face-to-face settlement discussions in Europe geared toward a  
8 global resolution of all claims, including the claims alleged in Case No. 19-cv-00683-RSM.  
9 Hyperion, Cloanto, and C-A Acquisitions, Inc. are finalizing changes to a negotiated term sheet,  
10 which they anticipate will soon be executed.

11 The Parties’ joint request is not sought for purposes of delay. Rather, because it is likely  
12 the Parties will soon resolve this case and Case No. 19-cv-00683-RSM, the Parties believe a short  
13 one-week extension to respond to the Court’s Order is necessary, if a settlement is not reached by  
14 then, to conserve judicial economy and promote efficiencies.

15 As such, the Parties respectfully request the Court extend the date of the Parties’ respective  
16 responses to Friday, February 7, 2020.

17 Respectfully submitted this 31st day of January, 2020.
